Muzrai Appeal No. of 1918-1919.

184-18

Appellants

1. Subbamma daughter of Takkamma and natural daughter of Sankaraya, residing at Kottase, Bangalore City.
2. Sambiya son of Sankaraya and brother of the first Appellant, also residing at Kottase Bangalore City.

The appellants above named beg to appeal to this honourable Court against the decision of the Deputy Commissioner Bangalore as contained in the endorsement herewith filed on the following grounds.

Sub
S
Sankaraya

1. That the first appellant is the adopted daughter of the first holder Lakshanna of the Takk Inam attached to Venkateswara Swami Temple at Yelhanke, consisting of a house and a field and a wet Land.
2. The second appellant is related to the first appellant as the son of Sankaraya who is the brother of the first appellant's mother Muddamma.
3. That the said Lakshanna died and the first appellant went to Yelhanke and doing her duty on the Takk Inam and she was otherwise permanently residing at the village of Kottase.
4. The said Lakshanna died and about the year 1918 the first appellant and the second appellant together with the other members of the Inam lands died and the Inam lands were

5. Then the appellants became involved in a litigation concerning another property at Bangalore and therefore they did not look after their Inam Lands.

6. The appellants were under the impression that the lands were available to them and when they were told that the Amildar had attached the lands and kept them in Amanath for want of claimants they filed a petition on 29-7-1915 to the Amildar praying that the lands and house attached to the said Teffa Inam may be given to their possession as they are the nearest heirs to the last holder Lakshmarao and offering to do the services required to be done in the Temple.

7. On the said petition a local inquiry was made and a Mamuzar was prepared to the effect that the appellants are the nearest heirs to the said Lakshmarao and that they may be given possession of the said lands and a report was made to the Deputy Commissioner by the Amildar accordingly.

8. The Deputy Commissioner kept the records and did not give any endorsement to the appellants for a long time although the second appellant filed nearly 25 petitions by way of Reminders.

9. The Amildar sent the endorsement herewith filed to the effect that he has been directed by the Deputy Commissioner to inform the appellants that the lands have been resumed by him.

10. The appellants beg to submit the Deputy Commissioner had no authority to resume the lands simply because they were Teffa Inam Lands. On the death of the previous incumbent he ought to have assessed the lands and granted them ^{to} the heirs of the last holder.

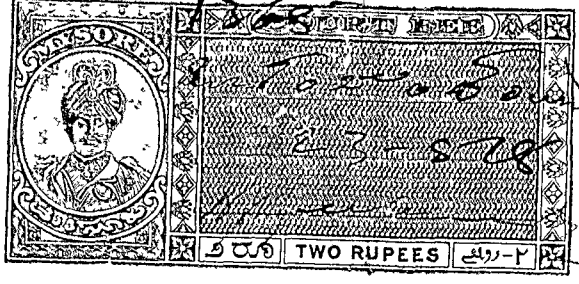

11. Further the resumption by the Deputy Commissioner was illegal in as much as no notice was issued to the heirs of the last holder to ascertain whether they are willing to continue the duties attached to the Inam and their wishes were not ascertained.

12. If the duties in question were reprehensible to Government there is no justice in resuming lands that have been in the possession of the appellants and their ancestors for hundreds of years.

Under these circumstances the appellants pray that the order of the Deputy Commissioner resuming the Taffi Tham Lands of the Venukulaswami Temple at Yelharthi be cancelled and the lands may be confirmed to the appellants on condition if they paying the full assessment of the lands themselves may be continued on condition of their doing the duties enjoined by the grant.
